Good Stewardship

We are called to be good stewards of our time, our resources, our planet. This means taking care of what God has given us... not to "own" it, but to lovingly manage it. And whether or not we accept and carry this responsibility affects not only ourselves personally, but also impacts all those who follow us.

"God blessed them and said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth." Genesis 1:28
